### **SOLO SHOW AT UUSS**

My Solo Exhibit at the Unitarian Universalist Society of Sacramento during September and early October was a great success. The feedback was very positive and several commissions resulted.

### **FEATURED ARTIST AT SLC**

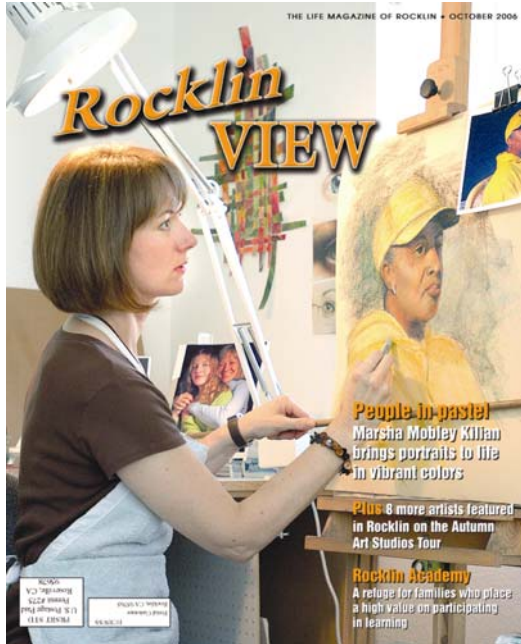

On October 8th I was featured at the Spiritual Life Center for their Faith-In-Action series. My piece, "Connecting to Intention" was created to correspond to the Sunday message and was shown at both services. Members purchased giclee prints of the image and greeting cards. 8 x10 and 11 x 14 giclee prints are still available.

## Featured Artist in the ROCKLIN VIEW MAGAZINE

October 2006

A special thanks to Brenda Meadows and Pico van Houtryve at Gold Country Media for their wonderful article and cover picture of my portrait work. My daughter, Madison, is pictured inside with all the paintings I have done of her over the years. Stop by a local Rocklin new stand and pick up a copy

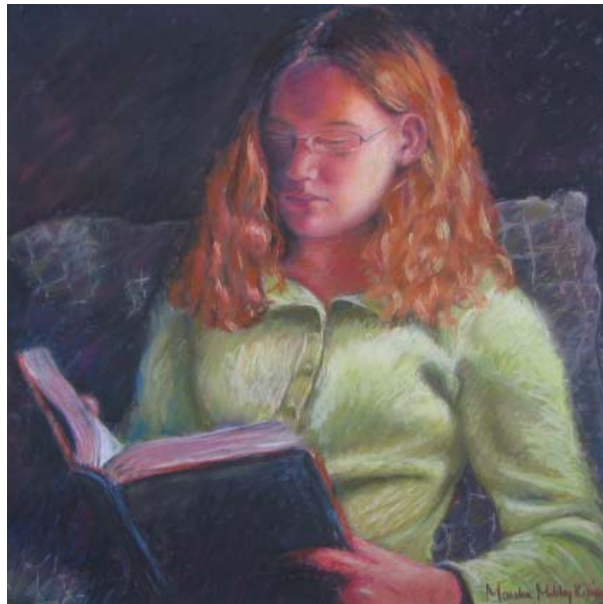

## Two pieces accepted into the membership show PASTEL SOCIETY OF THE WEST COAST

**MADISON READS II**  
takes award  
at Magnum Opus  
2006 Show

Madison Reads II was given the Award of Merit at the Annual Magnum Opus Show at the Sacramento Fine Art Center. This piece is a companion to one done of Madison on the same pose, on the same couch at age 7 months.

The kids are growing up fast, and don't you want to remember Mom as she is, right now? Don't wait to start thinking about creating a visual memory of this special time. I have a new camera and I'm taking appointments for photo shoots for those of you who are local. A commission is a truly unique gift, one you'll pass down through generations to come.

Thanks for your support!
